Dated, Bangalore, 10th March 1898.

Sir,

I have the honor to forward copies of letter dated 6th March 1898 from Mr R. B. Plumer Assistant Commissioner on plague duty and of the memo No 287 dated 25th Feb 1898 from the Comptroller fixing his pay It was never intended that Mr Plumer should suffer by the change on the other hand he should be given some substantial extra allowance in consideration of the heavy work he has to perform and the costliness of living in Bangalore The allowance given to plague officers in Bombay referred to

by him is apparently based on the scale adopted for Famine duty in Mysore in 1877-78 I would however propose a moderate allowance of Rs 50/- over the pay and allowance he was drawing in Shimoga viz Rs 1,50/ Thus the allowance now proposed is Rs 100/ over and above the pay of his grade viz Rs 400 I trust the Government will be pleased to sanction it from the date of his handing over charge in Shimoga and proceeding to Hubli to study the plague management viz the 23rd February 1898

I have the honor to be,

Dated 6. 3. 98

Sir

I have the honor to bring to your notice the fact that under Comptroller's Authority received last week I am entitled to draw pay from the date of handing over charge of the Shimoga District Police at the rate of only Rs 400/- per mensem that is to say by my transfer here on plague duty I lose the Rs 50/- a month allowance. I drew while in charge of the Shimoga district Police while my actual living expenses in a large town like Bangalore will be at least Rs 100/- a month

a month greater than they were
in a quiet out of the way place
like Shimoga while a trap of my
own or hired carriage and either an
additional pony or a bicycle
becomes absolutely necessary

Under these circumstances
and believing that it was not
intended that I should lose
pecuniarily by my transfer to
plague work I venture to write to
you to ask that my salary may
either by the grant of a local or
personal or special allowance be
brought up to what I was drawing
plus such extra amount as you
may consider adequate to enable
me to meet the extra expenses
enumerated above entailed by my
transfer here and I also request that
I may be allowed to draw such
allowance from the date of my pro-
ceeding on plague duty viz Feb 23 ultmo.

I

I may add that when at Bubli
recently I was informed by the officers
on plague duty there that they
in company with all other
officers specially deputed for plague
duty were granted a special allowan
of Rs 300/- a month while on that
duty and I trust therefore that
you will not consider my request
for an allowance unreasonable and
will kindly move Govt to grant the
same

I have the honor to remain
Sir
Your very obedient servant
